ORDER

The Court, having considered the stipulation by Plaintiff Almanzar and Defendant for entry of an order increasing the page limits for Plaintiff's unopposed memorandum of points and authorities in support of his Motion for Preliminary Approval of Class Action Settlement, hereby finds that good cause has been shown for the requested order. Specifically, the parties intend to move for preliminary approval of a class action settlement against Defendant, which may require additional briefing beyond the 20-page limit specified in the Case Management Procedures of the Honorable Troy Nunley for a proposed settlement of a class action. Therefore, the Court now enters the following order:

1. The page limit for Plaintiff's memorandum of points and authorities in support of his Motion for Preliminary Approval of Class Action Settlement is extended to 26 pages.

IT IS SO ORDERED.

Dated: October 5, 2021

Troy L. Nunley
United States District Judge
